Essay 1

Choose one essay option from the two listed below (***please limit your response to less than 700 words***).

- Option 1: Describe a significant setback, challenge or opportunity in your life and the impact that it has had on you.

 - Option 2: Describe and evaluate one experience that significantly influenced your academic or personal interests. The experience might be a high school course, a job, a relationship, or an extracurricular activity. Be sure to explain how this experience led to you setting the goals you now have for yourself.
-

Essay 2

Choose one essay option from the two listed below **(please limit your response to less than 700 words)**.

- Option 1: Many students expand their view of the world during their time in college. Such growth results from encounters between students who have lived different cultural, economic, or academic experiences. With your future growth in mind, describe a potential classmate that you believe you could learn from either within or outside a formal classroom experience.

 - Option 2: The core purpose of The University of Texas at Austin is to transform lives for the benefit of society. What do you hope to gain from your UT experience? What will you contribute to UT in return (i.e., how will your presence on campus benefit or improve the UT community)?
